Carnaval

1956

Tivoli heeft in haar 35 jarige bestaansperiode vele tradities gekregen tradities welke niet alleen door Tivoli werden uitgebouwd tot grootse gebeurtenissen in het clubleven, maar die door andere clubs en de Arubaanse gemeenschap spontaan werden overgenomen.

Zo ook met Carnaval. Het was in 1944 de Aruba Tivoli Club, welke Aruba liet kennis maken met Carnaval. In de loop van de jaren waren er steeds meer clubs die Carnaval gingen vieren, terwijl het wederom Tivoli was, welke 1955 de stoot gaf tot Aruba Carnaval.

Tivoli heeft niet alleen de traditie, maar ook de verplichting om op de ingeslagen weg verder te gaan. Zoals andere jaren moeten wij ook dit jaar weer tonen, dat HET carnaval van Aruba op Tivoli wordt gevierd.

Daarom doen wij 'n dringend beroep op al onze leden, om zonder uitzondering mede te werken tot het wel slagen van Carnaval 1956.

Dit jaar, ons jubileum jaar, moeten wij meer dan anders tonen, dat Tivoli weet wat feesten is.

Dank aan een ieder, die indirect of direct hebben mede geholpen om Tivoli Carnaval te doen slagen, speciaal aan de adverteerders welke de uitgave van dit boekwerk mogelijk maakte, tevens aan de pers, die haar kolommen steeds weer bereidwillig beschikbaar stelde.

Laat ons Carnaval gaan vieren, laat ons gaan feesten. Daarom komt allen naar Uw club, dan zullen wij na afloop van Carnaval kunnen zeggen: Onze traditie van Carnaval is geen holle leuze, maar nuchtere werkelijkheid.

Prettige dagen op Uw club.

Jos van der Schoot

Carnaval 1956

Carnival 1956 is just around the corner and everything possible is being done by a few members of the Tivoli Carnival Committee, to arrange the necessary trimmings, so that this Carnival will surpass all those Aruba had before.

Carnival became to Aruba a tradition. For years back Aruba, like many other big cities of the world, has brought these kind of festivities to the public of Aruba.

The committees are working hard, but they would'nt achieve success unless they get the full support of the various Clubs, Organizations, Merchants, etc.

If these organizations give their much needed support, they not only bring joy, or merrymaking to Aruba, but sooner or later, the much wanted tourism to our dear Island can be propagandated, and there is no doubt that this attraction can serve well the purpose of calling tourists to this beautiful Island.

Clubs, Merchants etc., give your support to the Carnival Committee by sending in a nice decorated float with or without your advertisements, this shall help make your products well known to the public.

Let us all join the fun, the public can contribute a lot also, by appearing in streets, Clubs, ec., disguised.

Public of Aruba, let us support the Carnival Committee, they are doing their best, let us do our part as well; to make this Carnival a huge success.

Get your disguised dresses ready and enjoy CARNIVAL 1956 100%.

Can we count on you?

Tivoli Carnival 1955 And How!

When we were still at school, teacher used to teach us certain proverbs we had to remember. There was one which they taught us with a certain amount of justifiable reluctance: *All work and no play makes Jack a dull boy*. We were told to take this proverb with a golfball-size grain of salt, or else! Needless to say that the grain of salt wore off in size as the week-end neared. While we grew up and finally assumed our duties to family and society, we realized that once in a while we have to amuse ourselves and leave behind our worries, or we would certainly become a pain in the neck to the balance of the world's twofooters.

The time for amusement, to make merry (and if you have the knack of it: whoopee with a capital W) is CARNIVAL. And Carnival 1956 is just around the corner. Preparations are under way and we are slowly getting ourselves ready to have that once-a-year splurge of fun commonly known as Carnival. Whatever you call it: *carnival, carnaval, Mardi Gras* or under whatever names it may go; people all have that common aim, that is to have that one great burst of fun and amusement prior to the days of mediation and piety that pertain to Lent. For then we will gorge ourselves with a store of enjoyment to last us until after Easter.

For when Carnival is over, when the queens have been crowned — and certain overimbibing husbands crowned by their wives — the former queens will shuck their gowns-royal and the latter husbands will come to and find they are still hitched to that old battle-axe. And then the fun will be over and Lent has started, and no more fun ahead for forty days.

So if you now what you need, get it and get it fast, enjoy Carnival hand help others enjoy it too.

Because now is the time to pack up your troubles, shelve your worries and try to be happy and make others happy. For a few days merchants will stop worrying over lessened turnovers; schoolchildren will not worry excessively over that heap of schoolwork; Sicks will stop reporting nonsense to Bocks, to make it short — we are going to celebrate Carnival as ever before.

Komt men in Oranjestad

Dan ziet men een mooi groot huis
Waar TIVOLI op staat
Vijf-en-dertig-jaren-reeds
Heeft zij de eer gehad

Van heel Oranjestad.

Refrain:

Tivoli, Tivoli, club der gezelligheid
Tivoli, Tivoli, club steeds met veel jolijt,
Tivoli, Tivoli, viert haar grote feest
Met muziek en een dans
Met wat sport elk een kans
O, dat is iets geweest.

Bridgen, tennis, basket-ball
Worden vaak gespeeld
Biljart, kegelen, domino
Geen, die zich verveelt
Dikwijls is er een groot feest
Met tot slot een bal;
Maar het hoogtepunt blijft toch
Steeds het Carnaval!

Refrain:

Dames: Waar gaat jong en oud graag
heen?

Heren: Naar de Tivoli.

Dames: Waar ontmoet je iedereen?

Heren: Steeds in Tivoli.

CARNIVAL

On Tivoli's initial year of Carnival celebration, some 13 years ago, the enthusiasm and spirit characteristic of the occasion, were thought to be overwhelming. And indeed they were, in every sense of the words! words!

Through the years, men, women and children of our club collected their efforts and imagination in their endeavor to surpass previous successes. As the interests built up, our plans extended, our dances and initiative reached a new height.

Tivoli, through the cooperative of its members, has learned to invoke the feelings of Carnival to others; Tivoli had the experience of these merry, joyful days and its four-loving members were only too happy to share their know-how with others, and organize joint Parades with other organizations.

The spectacular events emanated from such unselfish dedication to the festivities by Carnival, inspired a progressive step towards generalizing these happy days of gaiety, fun and entertainment.

On the initiative of the Aruba Tivoli Club, a representative group of Carnival-minded people are dedicating themselves to the grand celebration of an island-wide Carnival affair. As we can well remember, the beginning of every enterprise is the hardest and most complicated. We, Tivoli Members, are compelled to render our complete support, and assist in every possible manner, the magnificent and wonderful plans of Aruban Carnival, not only because our initiative and enterprising spirit are at stake, but especially because it will benefit the Carnival season at our club and Aruba in general.

Tivoli Carnival 1955 And How!

Continued from page 9

And Tivoli will again set the pace; others will look to Tivoli for aid and guidance and the way to do it right.

Because Tivoli has established that great tradition of Carnival in Aruba. This year the issue was in doubt for a short while; repeat — for a short while, because the members of Tivoli rose magnificently to the occasion and they will go ahead with their Carnival for the umpteenth time; upholding a tradition set by themselves and doing honour to a custom held high.

The customary elections for queens are already scheduled, our programme gone to the printers, costumes being sewn and the hustle and bustle for that grand week celebration well nigh completed. They will see to it that nothing is left undone to make this year's event complete, fine and nice.
